Chapter 1 by uswntlover

I look over at my alarm clock, and sigh to myself. Late again. Jill was going to kill me. Again. "I guess more sprints the better!" I thought as I rushed around my house and started putting on my gear. A few minutes later I realized I didn't have a ride to training! I picked up my phone and texted my best friend, Tobin.

Chris > Tobin - Hey, are you able to give me a ride to training today? I don't feel like taking the bus. ;)

Tobi > Christen - Of course! I'll be at your house in 10.

Chris > Tobin - Thank you so much! I'm looking forward to our pre training jam out sesh. :pppppp

Tobi > Chris - Me too! But I'm looking forward to seeing you more :)

Christen smiled at the thought of seeing Tobin again. It had been a couple of months since the last national team camp, and she was excited to see her best friend again. She thought about all of the fun they were going to have together, since the camp was in Chicago where Christen lived.

-DING DONG-

The door bell snapped Christen out of her thoughts. "Come in!!!" She yelled. "Hey Chris!!"

Tobin came running to Christen, toppling her over and onto the couch. Christen started laughing, and shoved Tobin off of her. "You missed me!" Tobin fake pouted. Christen smiled and said, "You're right, but we are already late to training, so we'll reunite later. Okay?"

The two girls jumped in the rental car that Tobin had drove over, and made their way to practice.

On the way there, they talked about their club teams, home, the olympics, and Alex. "I'm really nervous about seeing her Chris. What if she doesn't talk to me? What if she doesn't pass to me? What if she doesn't acknowledge me at all???"

Christen gave Tobin a soft smile and said, "Tobin don't worry. The past is the past okay? You two broke up for a reason, and it's because neither of you were happy. At least you realized that when you did Tobi! I'm proud of you for that. You guys are teammates and friends now, so just treat her like that. I wouldn't worry too much. And if you need to, just hang with me." Christen concluded with a goofy smile, which made Tobin laugh.

"Well, there is this girl Christen that I really wanted to get to know at the camp, she's funny, smoking hot," Christen snorted at that one. "and is the best forward I have ever gotten the pleasure to meet." Christen smiled and said, "Well she is very excited to be playing with the best midfielder she has ever met. And she was wondering if you were interested in a Harry Potter marathon at her house tonight?" Tobin laughed and said, "Tell her I'll be there." Christen laughed, "Noted."

With that the best friends walked together, hand in hand, to the field.
